

Welcome Address

Address By the President, Association of Biomedical Engineers & Technologists of Nigeria

Its my great honour to welcome you to the 1st African Conference on Medical Physics, Biomedical Engineering (AFROBIOMEDIC 2016) holding in Abuja, Nigeria between October 17 and 21, 2016.

The conference is organized jointly by the Association of Biomedical Engineers and Technologists of Nigeria (NABET) and National Association of Biomedical Sciences (NABS); endorsed and sponsored by International Federation for Medical and Biological Engineering (IFMBE) and the ECRI Institute; in partnership with the National Biotechnology Development Agency; and managed by ABC Consulting Inc, an imprint of Directories of African Biographies Ltd.

AFROBIOMEDIC 2016 attracts medical physicists, biomedical engineers and biomedical scientists locally and internationally and offers an exceptional opportunity to showcase the breadth and caliber of medical physics, biomedical engineering and biomedical scientists from around Africa and the entire globe. With

more than 1,000 delegates expected to attend, the Conference will include state-of-the-art lectures, scientific and educational sessions, selected oral presentations, workshops, poster presentations, international meetings and social events.

The meeting is undoubtedly the best opportunity for networking, sharing the latest information, and discussing with the world's leading experts in these fields.

I look forward to meeting you in this epoch-making event.

Dr Kenneth I. Nkuma-Udah, FCBET
Co-Chair, BME: AFROBIOMEDIC 2016
